

## High Middle Ages 900 - 1250

**Time:** Class time Thursday, April 15 - use time wisely

**Task:** Part 1 Making a town in the High Middle Ages

Part 2 Writing a good descriptive paragraph of your town (use your senses for description. How does your town look, smell etc.)

**Method:** Use the program - [citycreator.com](http://citycreator.com) to draw/design your town. You are to sign up for an account using your Nagel log in. You may also add parts in pencil or pen after you print your town. Your paragraph may be written or typed.

### Requirements:

1. Town diagram from the city creator program ( 10 points possible)

Choose a background

Your diagram must have the following:

1. Walls
2. Cathedral - decide on a type Romanesque or Gothic
3. Market Square
5. Shops
6. Guild signs - over apartments
7. Gate - must be guarded
8. minimum of 3 other features

You may print in color to 228 or black and white to cow 7

2. You must have a paragraph. (10 points possible)

Your paragraph should have a topic sentence, a conclusion sentences and 4-5 sentences in the body paragraph.

This should be printed to cow 7

This will be collected Friday April 16.
